

OBJECTIVA

OPTIMISE YOUR PERFORMANCE

Objectiva offers specialised and tailor-made subject choice and career guidance assessments. These assessments are scientific and objective ways of clearing up doubt and confusion regarding career-making decisions.

Subject Choice Assessments: This type of assessment provides valuable insight toward a learner's academic strengths and potential fields of study. Cost: R1600.

Career Guidance Assessments: This assessment provides a variety of realistic options for study and potential careers that learners can pursue. Cost: R1800.
