

## Driver Assessment Checklist:

Checklist	Yes/No
Have you got high volumes of driver job applicants?	
Have you got problems with driver turnover?	
Do you value honest and integrity among your drivers?	
Do you find it difficult to fully trust your drivers with your cargo?	
Is it difficult to identify candidates that can handle stress and pressure well?	
Do you often wonder about the non-physical capabilities of your drivers?	

*If you said yes to any of the above questions, we would love to get in touch and book a free consultation and attend to your needs.*

**Driver Assessment:** An industry-specific assessment measuring cognitive functioning, integrity, work ethic, competency and verification that are specific to driver roles

**Cognitive functioning:** Assessment of Analytical ability, Spatial ability, Perceptual reasoning, Verbal and logical reasoning and Acuity/Detail Orientation

**Integrity:** Assessment of reliability, dependability, honesty, accountability, responsibility and sense of duty and rule deviation

**Work ethic:** Assessment of work centredness, commitment, motivation and tenacity, decision-making and discretion, self-reliance and independence and timekeeping

**Competency and verification:** Assessment of experience, skills, knowledge, technical and practical orientation mindedness, awareness and alertness, value-appreciation, stress and pressure handling, patience and cautiousness, emotional control and history of performance

**There is a built-in lie detector to pick up any inconsistencies within the assessment results**
