

## Security Assessment Checklist:

Checklist:	Yes/No
Have you got high volumes of job applicants?	
Have you got problems with security guard turnover?	
Do you value honesty and integrity in the workplace?	
Do you find it difficult identifying leaders?	
Is it difficult to identify candidates that can handle stress and pressure well?	
Are you finding it expensive and time-consuming to run an effective induction program?	
Are your current training programs ineffective?	
Have you had difficulty with incentive programs?	

*If you said yes to any of the above questions, we would love to get in touch and book a free consultation and attend to your needs*

**Security Assessment:** An industry-specific assessment measuring cognitive functioning, integrity, work ethic, competency and verification that are specific to varying security-related roles

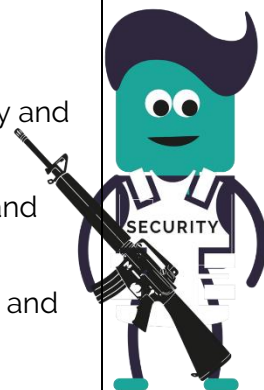

Cognitive functioning: Assessment of Analytical ability, Spatial ability, Perceptual reasoning, Verbal and logical reasoning and Acuity/Detail Orientation

Integrity: Assessment of reliability, dependability, honesty, predictability, impulsivity and leniency

Work ethic: Assessment of work centredness, motivation and drive, responsibility and sense of duty, cooperation, supportiveness and team orientation and denial

Competency and verification: Assessment of experience, skills, timekeeping, detail and quality, leadership potential, stress and pressure handling, aggressiveness and emotional control, suspiciousness and distrust and history of performance

**Assessment contains lie-detector and consistency measure**

Note:

- Assessments can be conducted online or paper-and-pencil
- Assessments can be conducted at company premises or remotely
- Feedback will be delivered telephonically to line managers
- Additional feedback to candidate will be available on request
- T's and C's Apply
